## Paul J. Regan

Vice President  
and Chief  
Financial Officer  
Finance and  
Business  
Operations  
Lockheed Martin  
Rotary and  
Mission Systems

Paul J. Regan is vice president and chief financial officer for Lockheed Martin Rotary and Mission Systems. With 2016 sales exceeding \$13 billion and before tax earnings greater than \$900 million, the business area is a unit of Lockheed Martin Corporation, Bethesda, Maryland. In this position, Paul reports to chief financial officer Bruce Tanner.

Previously, Mr. Regan served as vice president and chief financial officer for Lockheed Martin Space Systems Company. With 2016 sales of \$9 billion and before tax earnings exceeding \$1 billion.

In this role, Mr. Regan participated in the following board assignments:

**United Launch Alliance:** (50/50 Joint Venture with Boeing – approximately \$2 billion in annual sales)

Duties: Board member, Audit and Compliance Committees

**Sandia Corporation:** (100% owned subsidiary with annual sales exceeding \$2.5 billion)

Duties: Board member, Investment Committee overseeing \$8 billion in pension and savings plan, Investments, Audit and Ethics Committee

**Atomic Weapons Establishment:** (UK: annual sales greater than \$1.2 billion USD)

Duties: Led and negotiated the foundation for a new Joint Venture Construct to oversee and manage this UK national mission area (LM 51%, Jacobs and Serco @ 24.5%)

Prior to his role at Space Systems Company, Mr. Regan was the vice president of Finance and Business Operations for the Information Systems and Global Solutions Business Area of Lockheed Martin, headquartered in Gaithersburg, MD. Paul operated as deputy to the chief financial officer and was responsible for leading the business operations functions for IS&GS.

Throughout his career, Mr. Regan has been assigned to multiple locations within Lockheed Martin Corporation. Previous to his role at IS&GS he was the director of Business Operations for the Global Communications Systems Line of Business in the Space Systems Business Area. Prior to that, Paul was the director of Business Management for the Coast Guard Line of Business at Maritime Systems and Sensors. He also worked with Lockheed Martin Systems Integration Owego as director of the Aerospace Line of Business.

Mr. Regan received his MBA from Cornell University and his bachelor's degree from Rochester Institute of Technology.
