

SPACE LAUNCH SYSTEM ARTEMIS

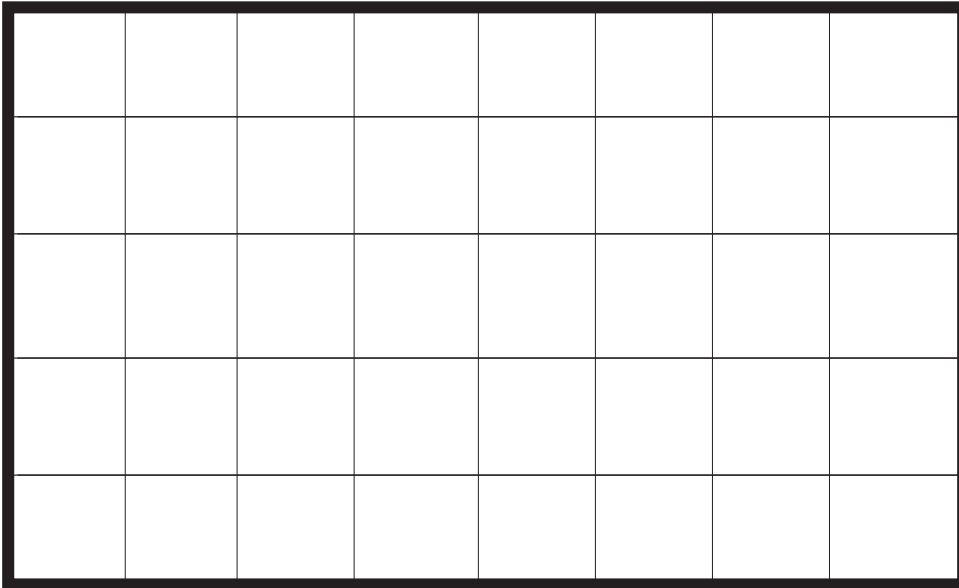

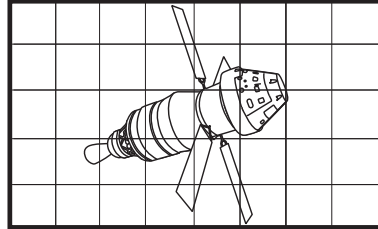

INTERIM CRYOGENIC PROPULSION STAGE

ICPS

Draw the ICPS Second Stage

Using the grid on the right, draw the ICPS in the blank squares below to copy the picture. Next, add flames to the engines and a space background to show where the ICPS second stage is taking the Orion spacecraft!

Sudoku

Fill each of the free cells with numbers one through four, so that each row, column and box contain each number only once.
