CONTRACTOR shall not knowingly take any action that would cause ULA to be in violation of any such laws, regulations, or licenses. CONTRACTOR shall cooperate with, and provide

access to, regulatory agencies and authorities acting in an enforcement or compliance role. Subject to applicable law, CONTRACTOR shall indemnify, defend, and hold harmless ULA against any liability, fine, or penalty that may be imposed upon ULA as a result of CONTRACTOR's failure to comply with such Laws, regulations, or licenses.

CONTRACTOR agrees to notify ULA immediately upon learning that it, any controlling owner, or any of its Subcontractor or affiliates performing work on this Contract have been excluded or proposed for exclusion from federal contracting in the exclusion file published at SAM.gov.

6. ETHICAL BUSINESS PRACTICES

CONTRACTOR is responsible for maintaining an ethics and compliance program that is consistent with ULA's Supplier Code of Conduct (available on ULA's Supplier website, <https://www.ulalaunch.com/resources/doing-business-with-ula>), as appropriate for its business, throughout the performance of this Contract. CONTRACTOR shall ensure that persons performing work under this Contract are aware of the importance of ethical behavior and comply with the Code of Conduct. If, at any time, Contractor becomes aware of a violation of the Supplier Code of Conduct in connection with this Contract, CONTRACTOR agrees to notify ULA, either through communication with ULA's Procurement Representative, or through ULA's Confidential Ethics Helpline, at 1-800-511-4173.

7. CONFLICTS OF INTEREST

CONTRACTOR represents that it is and shall remain free of any obligation or restriction that would interfere or be inconsistent with or present a conflict of interest concerning the Work to be furnished by CONTRACTOR under this Contract. CONTRACTOR is responsible for determining, in good faith, whether its activities or relationships, or those of its employees, present or could present a conflict of interest. CONTRACTOR shall immediately notify ULA of any change in circumstances that creates an actual, apparent, or potential conflict of interest.

8. EXPORT CONTROL

(a) Technical data, defense services, software and/or hardware furnished under or in connection with this Contract may be subject to United States ("U.S.") export or import control laws and regulations and may be subject to export or import laws and regulations of other countries. CONTRACTOR agrees to comply with all such laws and regulations, including obtaining the appropriate U.S. Government authorization prior to exporting to a Foreign Person, as defined in 22 CFR 120, within the U.S. or abroad, as applicable.

(b) CONTRACTOR certifies that only U.S. Persons, as defined in 22 CFR 120, who are located in the U.S., will be recipients of subject data, services, software and/or hardware and that only U.S. Persons shall participate directly with ULA in any manner, including, but not limited to, phone calls, telecons, meetings and/or email with ULA. If direct participation by Foreign Persons is required, CONTRACTOR shall seek and receive prior written approval from ULA to ensure that the appropriate export authorizations are in place. CONTRACTOR shall not distribute, transfer, or transmit any export-controlled item, information, or services (even if incorporated into other products), except in compliance with applicable export laws and authorities. CONTRACTOR further certifies that ULA data shall only be stored, processed, or transmitted on Information Technology ("IT") systems located in the U.S. with access controls to prevent access to subject data by Foreign Persons. All work pursuant to this Contract shall be performed in the U.S.

(c) CONTRACTOR certifies that no item delivered under this Contract, or any component thereof, will be sourced from a country or entity subject to U.S. federal sanctions. CONTRACTOR is responsible for monitoring published lists of sanctioned entities to ensure that the prior statement remains accurate throughout Contract performance. If CONTRACTOR becomes aware that any lower tier subcontractor, or the country of origin of a component, becomes subject to sanctions during Contract performance, CONTRACTOR will immediately notify ULA.

(d) CONTRACTOR is required to be registered with the State Department, Directorate of Defense Trade Controls, if it engages in the business of either exporting or manufacturing (whether exporting or not) defense articles (i.e. International Traffic in Arms Regulations (“ITAR”)-controlled parts, technical data) or furnishing of defense services, and represents that it maintains an effective export and import compliance program.

(e) The exporter of record, who directly exports to a Foreign Person, has the ultimate responsibility to determine export jurisdiction, applicable license requirements, and to meet the applicable export laws and regulations. CONTRACTOR’s responsibility to comply with all applicable laws and regulations regarding export-controlled items exists independent of, and is not established or limited by, the information provided by this clause. Nothing in this Contract changes, supersedes, or waives any of the requirements of applicable Federal laws, Executive orders, and regulations regarding export control. CONTRACTOR should resolve any questions regarding compliance with the ITAR or Export Administration Regulations (“EAR”), including export classification determinations, by consulting with its Empowered Official, other internal global trade resources, or counsel, as applicable. Contractor may also consult with the Department of State regarding any questions relating to compliance with the ITAR, or with the Department of Commerce regarding any questions relating to compliance with the EAR.

(f) The CONTRACTOR agrees to reasonably cooperate with ULA for assessments, audits and other fact-finding required to ensure compliance to U.S. export/import laws and regulations or as part of an investigation or corrective action related to a potential or actual violation of U.S. export/import laws and regulations. The CONTRACTOR will provide input for such activities in a timely and accurate manner.

(g) The CONTRACTOR agrees to provide timely and accurate reporting of fees and commissions paid related to Part 130 of the ITAR, when applicable. CONTRACTOR certifies that, except as otherwise reported to ULA, it has not paid, or offered, nor agreed to pay, and will not pay, offer, or agree to pay, in respect of any sale for which an export license or approval is required, political contributions, fees or commissions in amounts as specified in 22 CFR 130.9.

(h) For any shipment exported from the United States in which ULA is the U.S. Principal Party in Interest (USPPI), ULA prohibits the filing of Electronic Exporter Information (EEI) via the Automated Export System (AES) by any party except ULA or a ULA-approved forwarder.

(i) When CONTRACTOR is responsible for clearing the Work through United States Customs, CONTRACTOR will neither cause nor permit ULA’s name to be shown as “Importer of Record” on any customs declaration form or other documentation. CONTRACTOR shall obtain written approval from ULA prior to drop shipping hardware originating from a foreign country. CONTRACTOR’s failure to obtain ULA written approval may result in ULA rejecting the shipment upon delivery.

(j) ULA has partnered with the U.S. Customs and Border Protection in the Customs-Trade Partnership Against Terrorism (“C-TPAT”) program. For imports into the U.S. in support of this Contract, CONTRACTOR shall only utilize customs brokers, freight brokers/freight forwarders and carriers that are C-TPAT validated by the U.S. Customs and Border Protection. This subparagraph shall be flowed down to any authorized Subcontractors, as applicable

(k) CONTRACTOR shall indemnify and hold harmless ULA, its officers, employees, and agents from any losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney fees, all expenses of litigation and/or settlement, and court costs caused in whole or in part by the actions or omissions of CONTRACTOR, its officers, employees, agents, or suppliers in relation to its export/import activities. Any limitation of liability in this Contract shall not apply to this clause.

9. FORCE MAJEURE

(a) Neither ULA nor CONTRACTOR shall be liable for any failure of performance due to events beyond their reasonable control and without their fault or negligence. Such events include: war; warlike operation; insurrection; riot; fire; flood; explosion; accident; act of God; act of a public enemy; terrorism; acts of the government in its sovereign or contractual capacity; epidemic; pandemic; and quarantine restriction (but only to the extent the associated delay in performance by a Party of its obligations under this Contract as a result of such quarantine restriction is necessary for compliance with applicable law or federal, state, or local guidance), and further provided in each case that: (i) such event or circumstance could not have been avoided by the affected Party’s commercially reasonable efforts; and (ii) the effects of such event or circumstance cannot be overcome by commercially reasonable efforts to establish work-around plans, payment of expedited fees, alternate sources, or other means. An event of force majeure does not provide grounds for a price adjustment under the “Changes” clause of this Contract.

(b) In order to be excused from performance under subparagraph (a) above, CONTRACTOR shall, within ten (10) business days after becoming aware of the qualifying event, notify ULA in writing and provide a complete and detailed description of such event, the date of commencement, an estimate of the probable period of delay, an explanation indicating how such event was beyond the control of the CONTRACTOR, and a description of efforts CONTRACTOR will make to minimize the length of delay. Upon the end of the event, CONTRACTOR shall submit a written notice stating the impact to the schedule and evidence justifying the length of the delay. At ULA's option, the Contract may be completed with such adjustments to delivery schedule as are reasonably required by the delay or this Contract may be terminated by ULA without additional cost, except for payment for Work completed prior to the commencement of the delay.

10. DEFAULT

(a) ULA, by written notice, may terminate this Contract for default, in whole or in part, if CONTRACTOR (i) fails to comply with any of the terms of this Contract; (ii) fails to make progress so as to endanger performance of this Contract; (iii) fails to provide adequate assurance of future performance; or (iv) files or has filed against it a petition in bankruptcy. CONTRACTOR shall have ten (10) days (or such longer period as ULA may authorize in writing) to cure any such failure after receipt of notice from ULA. Default involving delivery schedule delays, bankruptcy or adverse change in financial condition shall not be subject to the cure provision. ULA may terminate this Contract in whole or in part, for default if (a) any "person" or "group" (within the meaning of Section 13(d) of the Securities Exchange Act of 1934 (the "Exchange Act"), as amended) is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of voting securities of CONTRACTOR representing more than fifty percent (50%) of CONTRACTOR's outstanding voting securities or rights to acquire such securities; or (b) any direct or indirect sale, lease or other transfer of all or substantially all of CONTRACTOR's assets.

(b) Following a termination for default of this Contract, CONTRACTOR shall be compensated at the Contract price only for Work actually delivered and accepted. In addition, ULA may require CONTRACTOR to deliver to ULA any supplies and materials, manufacturing materials or drawings, reports or other Contract deliverables that CONTRACTOR has specifically produced or acquired for the terminated portion of this Contract. Upon direction from ULA, CONTRACTOR shall also protect and preserve tangible property in its possession in which ULA or ULA's Customer has an interest. Payment for such deliverables and for the protection and preservation of property shall be at a reasonable price determined by both parties after engaging in good faith negotiations, except that CONTRACTOR shall not be entitled to profit on such materials or property protection activities. ULA may withhold from any amount due under this Contract any sum ULA determines to be necessary to protect ULA or ULA's Customer against loss because of outstanding liens or claims of former lien holders.

(c) Upon the occurrence and during the continuation of a default, ULA may exercise any and all rights and remedies available to it under applicable law and equity including, without limitation, cancellation of this Contract. If after termination for default under this Contract, it is determined that CONTRACTOR was not in default, such termination shall be deemed a termination for convenience and CONTRACTOR's remedies shall be governed by the "Termination for Convenience" clause.

(d) CONTRACTOR shall continue all Work not terminated or cancelled.

11. TERMINATION FOR CONVENIENCE

(a) ULA may terminate part or all of this Contract for its convenience and without cause, at any time, by giving written notice to CONTRACTOR. Such termination shall not constitute default.

(b) Upon termination, in accordance with ULA's written direction, CONTRACTOR will immediately: (i) Cease work; (ii) Prepare and submit to ULA an itemization of all completed and partially completed deliverables and services; (iii) Deliver to ULA any and all Work completed up to the date of termination at the agreed upon prices; and (iv) Deliver upon request any Work in process. In the event ULA terminates for its convenience after performance has commenced, ULA will compensate CONTRACTOR for the actual, allowable, and reasonable expenses that are proven in sufficient detail to the satisfaction of ULA and are incurred by CONTRACTOR for Work in process up to and including the date of termination provided CONTRACTOR uses reasonable efforts to mitigate ULA's liability under this clause, except where such other provision governing termination liability has been agreed to between the parties and incorporated into this Contract.

(c) Any termination settlement proposal shall be submitted to ULA promptly, but in no event later than sixty (60) days from the effective date of the termination, unless otherwise authorized in writing by the Procurement Representative. In no event shall the amount of any settlement be in excess of the Contract value.

(d) CONTRACTOR shall continue all Work not terminated. In no event shall ULA be liable for lost or anticipated profits, unabsorbed indirect costs or overhead, or for any sum in excess of the total Contract price.

12. STOP WORK

(a) CONTRACTOR shall stop Work for up to one hundred (100) days in accordance with any written notice received from ULA, or for such longer period of time as the parties may agree and shall take all reasonable steps to minimize the incurrence of costs allocable to the Work during the period of Work stoppage.

(b) Within such period, ULA shall either terminate in accordance with the provisions of this Contract or continue the Work by written notice to CONTRACTOR. In the event of a continuation, an equitable adjustment in accordance with the principles of the "Changes" clause shall be made to the price, delivery schedule, or other provision(s) affected by the Work stoppage, if applicable, provided that the claim for equitable adjustment is made within thirty (30) days after date of notice to continue. A claim for equitable adjustment must include a detailed itemized breakdown of costs.

13. ASSIGNMENT

CONTRACTOR shall not assign any of its rights or interest in this Contract or subcontract all or substantially all of its performance of this Contract, without ULA's prior written consent, unless required by applicable law.

14. TIMELY PERFORMANCE

(a) CONTRACTOR's timely performance is of the essence and is a material element of this Contract.

(b) Unless advance shipment has been authorized in writing by ULA, ULA may store at CONTRACTOR's expense, or return, shipping charges collect, all Work received in advance of the scheduled delivery date.

(c) If CONTRACTOR becomes aware of difficulty in performing the Work, including but not limited to any potential scheduling delays, CONTRACTOR shall promptly notify ULA, in writing, giving pertinent details. This notification shall not change any delivery schedule.

(d) If CONTRACTOR has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Contract, CONTRACTOR shall immediately give notice, including all relevant information, to the Procurement Representative.

(e) In the event of a termination for convenience or Contract change, no claim will be allowed for any manufacture or procurement in advance of CONTRACTOR's normal flow time unless there has been prior written consent by ULA.

15. PACKING AND SHIPMENT

(a) CONTRACTOR shall be responsible for ensuring the proper packaging of goods hereunder in accordance with best commercial practice in accordance with ASTM D3951 "Commercial Packaging", unless specific packing instructions are provided. Except as included in this Contract, CONTRACTOR shall not charge ULA for packing, crating, freight, local cartage, and/or any other related packaging and shipment services. CONTRACTOR shall comply with ULA's written shipping instructions at all times.

(b) A complete packing list shall be enclosed with all shipments. CONTRACTOR shall mark containers or packages with necessary lifting, loading, and shipping information, including the ULA Contract number, Contract line, item number, ULA material number, shipment quantity, dates of shipment, and the names and addresses of consignor and consignee. Bills of lading shall include this Contract number.

(c) Unless otherwise specified, delivery shall be FOB Place of Origin (place of shipment, as described in the Uniform Commercial Code Section 2-319).

16. INSPECTION AND ACCEPTANCE

(a) ULA's final inspection and acceptance shall be at destination.

(b) If CONTRACTOR delivers non-conforming Work, ULA may, in addition to any other remedies available at law or at equity: (i) accept all or part of such Work at an equitable price reduction; or (ii) reject and return such Work for credit or refund; or (iii) require CONTRACTOR, at CONTRACTOR's expense, to make all repairs, modifications, or replacements necessary to conform the Work with Contract requirements.

(c) Work shall not be supplied in excess of quantities specified in this Contract. CONTRACTOR shall be liable for handling charges and return shipment costs for any excess quantities. If excess Work is manufactured with reference to ULA's proprietary information or materials, CONTRACTOR agrees that, pursuant to the "Protection of Confidential Information" and, as appropriate the "Intellectual Property" clause of this Contract, it will not sell or offer such Work for sale to anyone other than ULA without ULA's prior written consent.

17. SOURCES OF SUPPLY

(a) CONTRACTOR shall seek, to the greatest extent reasonably practicable, to procure items and services from sources that are located, mined, produced, or manufactured in the United States.

(b) CONTRACTOR shall not deliver items or materials (including end products and any components thereof) sourced from any country listed on the ITAR Proscribed country list located at 22 CFR § 126.1, with the limited exception of raw materials and lower-level components available as commercial off the shelf (COTS) items. With respect to such raw materials or COTS items, CONTRACTOR further agrees:

(i) No software that is developed in a proscribed country shall be delivered to ULA.

(ii) CONTRACTOR shall not supply to ULA, or incorporate into any product supplied to ULA, any item or component manufactured in a proscribed country that could be attached to a ULA computer or that could connect to a ULA network and is capable of storing, processing, or transmitting information.

(iii) CONTRACTOR shall not disclose to any supplier based in a proscribed country information that is proprietary to ULA, relates to ULA, or which could be used to identify ULA as the ultimate customer for any order.

(iv) In the event of a failure of any Work delivered under the Contract, CONTRACTOR must be able to support any failure investigation without reliance on the participation of any company or individual from a proscribed country.

(c) CONTRACTOR shall notify ULA if it is aware of, or becomes aware of, reliance on specific foreign sources of supply, at any tier, as items critical to the functioning or operation of any Work to be delivered to ULA. For the purposes of this provision, reliance on means that CONTRACTOR could not reasonably procure critical items from an alternate source, and therefore would be unable to deliver Work to ULA if any single foreign source becomes unavailable.

(d) CONTRACTOR is responsible for the continuous monitoring of its supply chain to ensure that any changes that impact the Work to be provided to ULA maintains in compliance with the requirements of this clause.

18. MAINTENANCE OF RECORDS

CONTRACTOR shall maintain complete and accurate records relating to its performance of the Work to substantiate that CONTRACTOR performed all tasks required by the Contract. CONTRACTOR shall retain such records for six (6) years from final payment of this Contract.

19. PROTECTION OF CONFIDENTIAL INFORMATION

(a) CONTRACTOR agrees to comply with the terms of any Confidentiality Agreement entered into by the parties and respect any proprietary and other restrictive markings that may be applied by ULA to anything provided hereunder to CONTRACTOR. Information provided by ULA to CONTRACTOR remains the property of ULA and such information, including tangible items conveying or embodying such information, is deemed the proprietary, confidential and/or trade secret information of ULA. Such information may be used by CONTRACTOR solely in accordance with the terms of any Confidentiality Agreement and for the purposes of this Contract. CONTRACTOR may not disclose such information to any third party without prior written consent of ULA, except as authorized by any Confidentiality Agreement.

(b) Unless there is a Confidentiality Agreement in effect between the parties, ULA personnel are not authorized to receive any information in confidence from CONTRACTOR. All communications of any kind from CONTRACTOR to ULA, accordingly, shall be deemed to be on a non-confidential basis unless CONTRACTOR and ULA have executed a Confidentiality Agreement protecting CONTRACTOR information, which is incorporated into this Contract.

20. PUBLIC RELEASE OF INFORMATION

(a) CONTRACTOR shall not, without the prior written consent of ULA, disclose any information of any nature whatsoever relative to this Contract except as may be required to ensure performance or is required by law. CONTRACTOR shall not use "United Launch Alliance," "ULA" or any other name, trademark or logo owned by ULA, in whatever shape or form, without the prior written consent of ULA.

(b) ULA recognizes that CONTRACTOR may wish to publish, for example in a lecture or in a scientific journal, certain of the Contract results and ULA agrees that it will not, after being given the opportunity to examine the relevant draft, prevent such publication in accordance with normal academic custom, provided that: (a) it may be necessary for such publication to be delayed in order not to prejudice the obtaining or validity of Intellectual Property rights in any country of the world, and (b) such results or information shall not include any Proprietary Information of ULA. Any delay in publication shall not exceed ninety (90) days from the date ULA receives a copy of the proposed publication.

21. COMMUNICATION WITH ULA'S CUSTOMER

ULA shall notify CONTRACTOR promptly of any such claim and, at CONTRACTOR's option and expense, shall provide to CONTRACTOR reasonable and necessary information, assistance (at CONTRACTOR's expense) and authority to defend or settle said claim. If required by ULA, CONTRACTOR shall provide proof of having sufficient resources or insurance to support this indemnification obligation.
