

An aerial photograph of a mangrove wetland at sunset. The water is calm, reflecting the orange and yellow light of the sky. In the background, several tall, thin structures, likely launch pads, are visible against the horizon. The foreground shows a dense network of mangrove trees and water channels.

# CAPE CANAVERAL VISITOR'S GUIDE

16255 Phillips Pkwy  
Bldg 38835  
Cape Canaveral Space Force  
Station, FL 32920

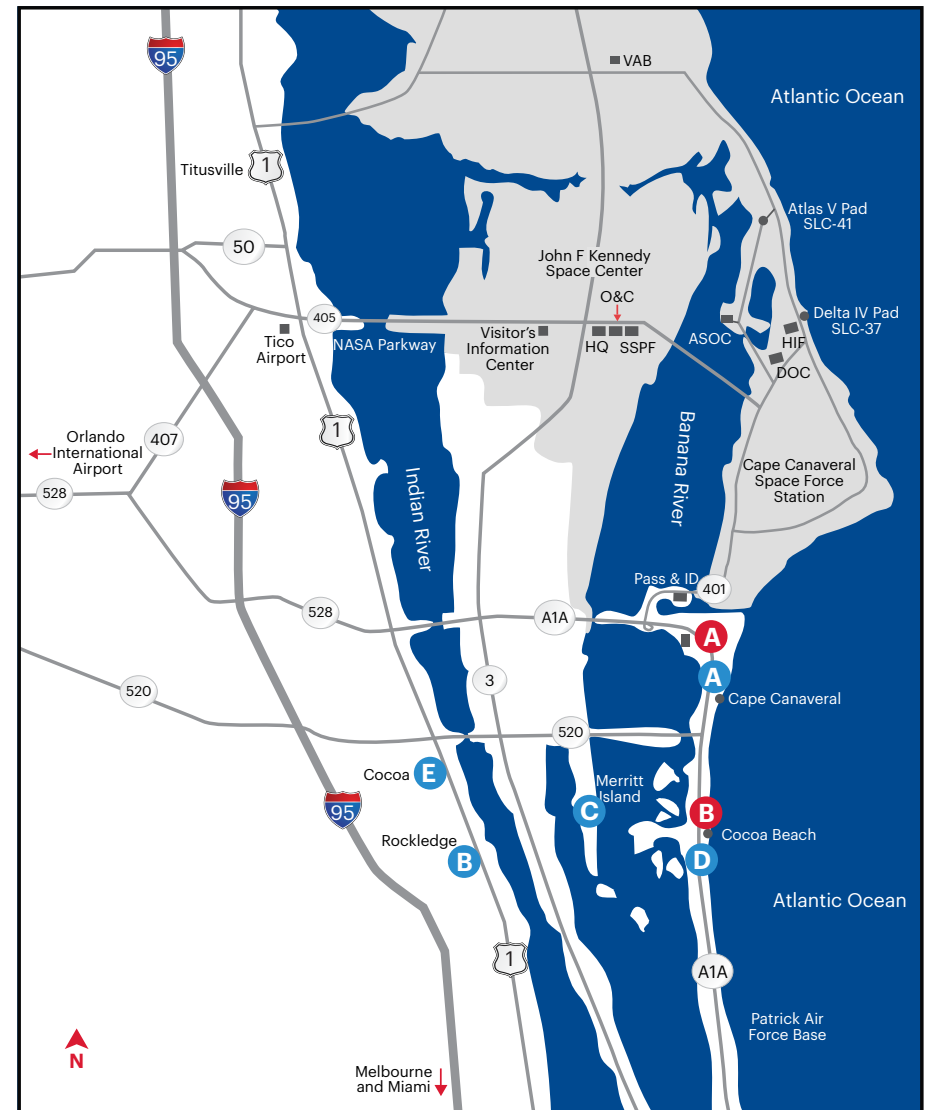

# LOCAL AREA MAP

## From Orlando International Airport (MCO)

- Proceed east on the Beachline SR 528 and follow the sign for Cape Canaveral Space Force Station (CCSFS).
- Exit at the N Cruise Terminal (Terminal A) SR 401. Drive over the Barge Canal and past the cruise terminals.
- Proceed to the Pass and ID building just outside of the South Gate (Gate 1).
- Turn in behind the Pass and ID building and follow the signs for parking.
- Pass and ID will issue you a temporary CCSFS badge if you coordinated your visit with your host and can present two forms of identification.
- After receiving your badge, proceed through Gate 1 and continue on Phillips Pkwy to your destination.
- Maps of CCSFS are available at Pass and ID.

## From Melbourne International Airport (MLB)

- Proceed west on Air Terminal Pkwy
- Turn right onto NASA Blvd west. Turn right to stay on NASA Blvd west.
- Turn right onto Wickham Rd south/CR-509.
- Turn left onto Sarno Rd.
- Turn left onto Eau Gallie Blvd west/FL-518 west.
- Merge onto I-95 to exit 205 which is the 528 Beach line to CCSFS
- Merge onto FL-528 east toward Canaveral/Cape-Port-SFS/US-1.
- Take the SR-410 north exit toward Cape Canaveral/SFS/Port Canaveral/A Cruise Terminals/North Cargo Piers.
- Merge onto FL-401.
- Turn in behind the Pass & ID building and follow the signs for parking.
- Pass & ID will issue a temporary CCSFS badge to you if you coordinated your visit with your host and can present two forms of identification. After receiving your badge, go through Gate 1 and continue on Phillips Pkwy to your destination. Maps of CCSFS are available at Pass & ID.
